

Hardware Compatibility

The following hardware components have been added to my Synology NAS systems and are fully compatible.

HDDs

RAM

Check RAM type with

```
sudo dmidecode --type 17
```

Device	Type	Module Size	Specification	CPU	Total Size
DS718+	DDR3	8GB	Kingston KHX1866C11S3L/8G	J3455	10GB
